# General Conditions

(applying to all policies)

**You** must comply with these Conditions: if **you** do not, **we** may at **our** option cancel the policy and/or refuse to deal with **your** claim and/or reduce the amount of any claim payment.

1. **You** may cancel the policy at any time by telling **your** insurance broker (cancellation cannot be backdated). In the event of cancellation **we** will give **you** a proportionate refund of premium provided **you** have not made a claim and will be subject to a minimum premium of £25. **We** may also cancel the policy where **we** have identified serious grounds, such as;
  - failure to provide **us** with information **we** have requested that is directly relevant to the cover provided under this policy or any claim;
  - the use or threat of violence or aggressive behaviour against **our** staff, contractors or property;
  - the use of foul or abusive language;
  - nuisance or disruptive behaviour.

**We** will contact **you** at **your** last known address and, where possible, seek an opportunity to resolve the matter with **you**. Where a solution cannot be agreed between **us**, **we** may cancel the policy by giving **you** 14 days notice.

This will not affect **your** right to make a claim for any event that happened before the cancellation date.

If **we** cancel the policy **we** will refund premiums already paid for the remainder of the current **period of insurance**, provided no claim has been made during the current **period of insurance**.

**We** also reserve the right to terminate the policy in the event that there is a default in the instalment payments due under any linked loan agreement, by giving **you** 14 days notice at **your** last known address.

Also, **you** may cancel this policy within 14 days of receipt of the **policy documents** at the start or renewal, by telling **your** insurance broker. **We** will give **you** a proportionate refund of premium provided that **you** have not made a claim and will be subject to a minimum premium of £25.

Please note, **you** may also be charged a fee by **your** insurance broker for the cancellation of **your** insurance.

2. Under the laws of the **United Kingdom** (England, Scotland, Wales and Northern Ireland) both **you** and **we** may choose the law which applies to this contract, to the extent permitted by those laws. Unless **you** and **we** agree otherwise, **we** have agreed with **you** that the law which applies to this contract is the law which applies to the part of the **United Kingdom** in which **you** live.

**We** and **you** have agreed that legal proceedings between **you** and **us** in connection with this contract will only take place in the courts of the part of the **United Kingdom** in which **you** live.

3. **You** must tell **us** immediately about any changes in the information recorded on the **statement of facts**. Although **we** may undertake checks to verify **your** information, **you** must take reasonable care to ensure all information provided by **you** or on **your** behalf is accurate and complete.

**You** must tell **us** immediately if any of **your** information is incorrect or changes. If **we** have wrong information this may result in an increased premium and/or claims not being paid in full, or **your** insurance may not be valid and claims will not be paid. If **you** are in any doubt about any information, contact **your** insurance broker as soon as possible.

Changes to information **we** need to be informed of include, but are not limited to, these situations:

- A change to the rebuilding or reinstatement costs if the policy sums insured limits are no longer adequate;
- A change in the occupancy or use of **your home**;
- If **you** have received a police caution for or have criminal convictions that are not spent under the Rehabilitation of Offenders Act or have been charged with but not tried for any offence other than driving offences;

Any changes, if accepted by **us**, will apply from the date indicated on **your** updated **schedule**. In this case **we** will be entitled to vary the premium and terms for the rest of the **period of insurance**.

4. **You** must maintain **your** property in a good state of repair and take all reasonable precautions to safeguard property from loss or damage.
5. **We** will not provide any cover or be liable to provide any indemnity, payment or other benefit under this policy where doing so would breach any prohibition or restriction imposed by law or regulation.

If any such prohibition or restriction takes effect during the **period of insurance** **we** may cancel this policy immediately by giving **you** written notice at **your** last known address. If **we** cancel the policy **we** will refund premiums already paid for the remainder of the current **period of insurance**, provided no claims have been paid or are outstanding.

6. **We** shall not be deemed to provide cover nor be liable to pay any claim or provide any benefit here under to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that **us** or the Insurer or any reinsurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, **United Kingdom** or United States of America.

2. All gas and electrical appliances and installations at the insured property must be regularly inspected by **you** or a responsible person acting on **your** behalf as required by the appropriate legislation and repaired, replaced, maintained or serviced as necessary to ensure good order. A record of such inspections/work undertaken should be kept to produce to insurers upon request.
3. Any increase in risk of damage due to any act or neglect of any mortgagor, leaseholder, lessee or occupier or any **buildings** will not prejudice the interest of any mortgagee, freeholder or lessor provided the increase in risk is without their prior knowledge or authority and **we** are notified immediately they become aware of the increase in risk and pay any additional premium.
4. A person or company who was not a party to this policy has no right under the Contracts (Rights of Third Parties) Act 1999.

# Claim Conditions and How We Settle Claims

## How to make a claim

If **you** need to make a claim, what **you** need most of all is speedy, professional, practical help. That is exactly what **we** provide. When an accident happens, **you** should take any immediate action **you** think is necessary to protect **your** property and belongings from further damage, such as switching off the gas, electricity or water. Telephone **our** Claimline 01204 600364 for immediate help and assistance. Please have **your** policy number handy when **you** call. While most claims can be agreed over the phone, there may be times when **we** will ask **you** to complete a claim form and provide **us** with further information and/or **we** may wish to arrange a visit and inspection.

To help **us** deal with **your** claim quickly, please read this policy booklet carefully.

## Guidance when making a claim

### Claim Notification

Conditions that apply to the policy and in the event of a claim are set out in **your** policy booklet. It is important that **you** and **your family** comply with all policy conditions and **you** should familiarise yourself with any requirements. Directions for claim notification are included under claims conditions. Please be aware that events that may give rise to a claim under the insurance must be notified as soon as reasonably possible although there are some situations where immediate notice is required.

Further guidance is contained in the policy booklet. Claims conditions require **you** to provide **us** with any assistance and evidence that **we** require concerning the cause and value of any claim. Ideally, as part of the initial notification, **you** will provide:

- **Your** name, address, and **your home** and mobile telephone numbers
- Personal details necessary to confirm **your** identity
- Policy number
- The date of the incident
- The cause of the loss or damage
- Details of the loss or damage together with claim value if known

- Police details where applicable
- Names and addresses of any other parties involved or responsible for the incident (including details of injuries) and addresses of any witnesses.

This information will enable **us** to make an initial evaluation on policy liability and claim value. **We** may, however, request additional information depending upon circumstances and value which may include the following:

- Original purchase receipts, invoices, instruction booklets or photographs, bank or credit card statements, utility bills, prepurchase surveys, or plans or deeds of **your** property.
- Purchase dates and location of lost or damaged property
- For damaged property, confirmation from a suitably qualified expert that the item **you** are claiming for is beyond repair.

Sometimes **we**, or someone acting on **our** behalf, may wish to meet with **you** to discuss the circumstances of the claim, to inspect the damage, or to undertake further investigations.

Where **we** have asked **you** for specific information relevant to **your** claim **we** will pay for any reasonable expenses **you** incur in providing **us** with the above information.

### Preferred Suppliers

**We** take pride in the claims service **we** offer to **our** customers. **We** have developed a network of contractors, repairers and product suppliers dedicated to providing claim solutions.

### Claims Conditions

**You** must comply with these Conditions: if **you** do not, **we** may at **our** option cancel the policy and/or refuse to deal with **your** claims and/or reduce the amount of any claim payment.

1. **You** must do all **you** can to prevent and reduce any costs, damage, injury or loss.
2. **You** must tell **us** about any loss, damage or liability as soon as possible and give **us** all the information and help **we** may need, including proof of claim at **your** expense. **We** will decide how to settle or defend a claim and may pursue proceedings in the name of any person covered by **your** policy, including proceedings for recovering any claim payment.

3. **You** must report any loss, theft, attempted theft or malicious damage to the police immediately.
4. If someone is holding **you** responsible for damage to their property or bodily injury to them, **you** must tell **us** immediately and send **us** immediately on receipt any writ, summons, letter of claim or other relevant documents.
5. If a claim is fraudulent or false in any way, **we** will not make any payment and all cover will end and **we** will be entitled to recover from **you** any payment made already in respect of the claim.
6. If any claim is covered by any other insurance, **we** will not pay for more than **our** share of that claim.
7. **You** must retain any damaged property for **our** inspection and not abandon property to **us** unless **you** have **our** written authority.
8. **You** must not authorise any work to commence without **our** written authority.

### How We Settle Property Claims

**We** will decide whether to repair, replace, or pay for property which is lost or damaged.

In the event **we** agree to settle by payment to **you**: the amount payable will be the lesser of the cost to **us** of replacing (through **our** Preferred suppliers) or the **market value** of the property. The maximum amount which **we** shall be liable to pay is the relevant sum insured less any **excess** and subject to any **limit** applicable.

For claims relating to damage to the structure of **your** property, which otherwise could be settled by repair, the amount payable will be the cost to **us** of repairing the property (through **our** Preferred suppliers) less any VAT payable on any labour element of such repair. In the event that it is either impossible or uneconomic to repair or reinstate the **buildings**, settlement will be based on **market value**.

In the event that the property insured cannot be described adequately to allow for accurate replacement, settlement of any claim for loss of the property will be settled on the basis of a reasonable assessment of the **market value**.

### Proportionality

If **you** have provided **us** with inaccurate information this can affect **your** policy in one or more of the following ways:

- 1) If **we** would have charged **you** a higher premium for providing **your** cover, **we** will have the option to:
  - a. charge **you** the appropriate additional premium, to be paid in full;
  - b. If a claim has been intimated, **we** may adopt a proportional approach, where **we** calculate the proportion of the premium that was paid and base the settlement on that proportion. In this circumstance, in order for cover to continue the balance of the additional premium up to the expiry date of the policy will be charged.
- 2) If **we** would not have provided **you** with any cover **we** will have the option to:
  - a. void the policy, which means **we** will treat it as if it had never existed and repay the premium paid; and
  - b. seek to recover any money from **you** for any claims **we** have already paid, including the amount of any costs or expenses **we** have incurred.
- 3) If **we** would have applied different terms to **your** cover, **we** will have the option to treat **your** policy as if those different terms apply.
